Dear Ms. Dortch:

On September 9, 2009, Curt Stamp, President of the Independent Telephone & Telecommunications Alliance (ITTA), and the undersigned met with Commissioner Mignon Clyburn and Carol Simpson. We discussed generally the member companies of ITTA and the association's general positions, consistent with those filed previously at the Commission and relating to the above-referenced dockets. The attached service areas map was provided to Commissioner Clyburn and Ms. Simpson. With regard to Docket No. 09-51, and in accordance with the March 20, 2009, *White House Memorandum for the Heads of Executive Agencies: Ensuring Responsible Spending of Recover Act Funds*, ITTA confirms that Mr. Stamp is a registered lobbyist.

Respectfully submitted,

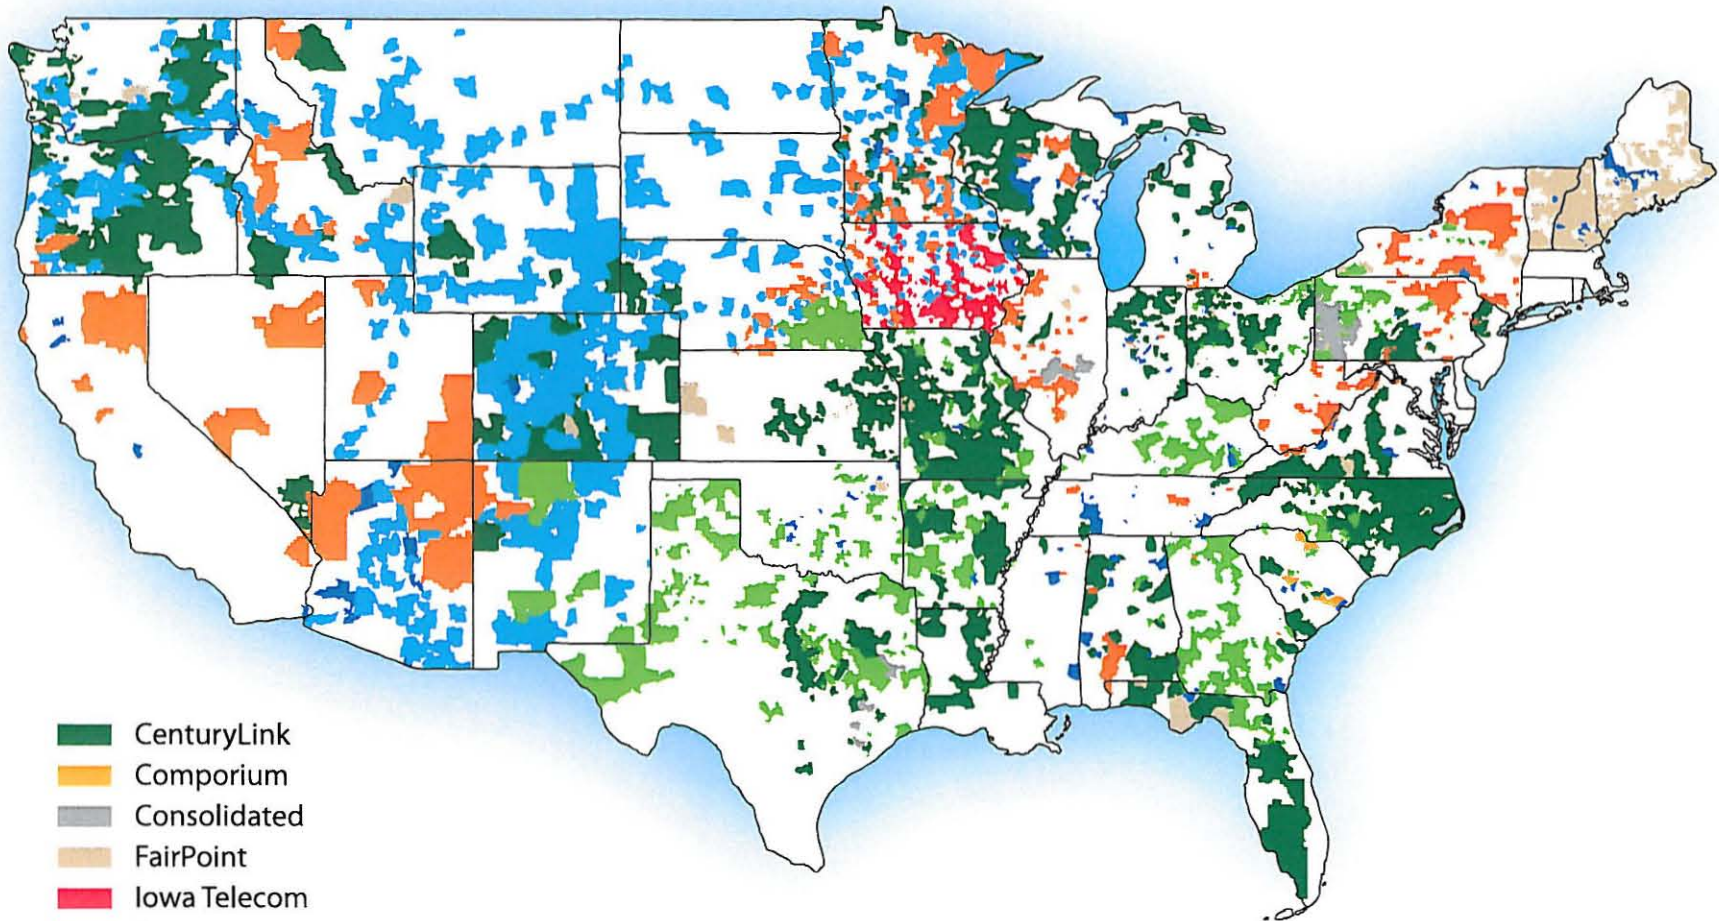

Joshua Seidemann
